The screenshot shows the Infocast trading platform web interface. The top navigation bar includes 'Market Information', 'Trade', 'My Setting', 'Cash Instruction', and 'IPO'. The user is logged in as 'astream' with a last login time of '18/01/2018 12:23 PM'. The main content area displays market information for SEHK, including the HSI index at 32,021.73 (up 38.32, 0.12%) and the T/O index at 115.778 (up 64, 0.20%). The 'Stock' section shows details for '00002 中電控股', including its bid and ask prices (78.650 and 78.700) and a volume of 684K. A table of market data is provided below, listing various brokers and their respective bid and ask prices. The 'Stock Trading' section on the left includes a 'Buy/Sell' button, a 'Market' dropdown set to 'SEHK', and fields for 'Stock Code', 'Order Price', 'Order Qty', and 'Order Type'. A 'Preview' button is visible at the bottom of the trading section. The bottom of the page features the Infocast logo and a disclaimer: 'Stock Information Provided by Infocast Limited [Disclaimer]'.
